Dear Mr. Whyrick:

Reference is made to your letter dated October 6, 2011, alerting the committee about a negative ending cash balance.

We have identified that the nature of the problem was the erroneous entry of a memo item as an expenditure. We have filed an amendment correcting it.

We prepared the amendment prior to the response due date stated in your letter. Our attempts at uploading failed because we kept getting a message that said: "BADFORMAT: Invalid superseded specification." For weeks, we have tried to decipher the error and placed various calls to tech support.

We got through this morning and we were then able to solve the "BADFORMAT" problem which was in the manner we were entering the filing document id of the superseded document.

The amendment is now correctly uploaded.

Cordially,

  
Luis Correa Marquez  
Treasurer
